To summarise in a nutshell: I write this site on my own, and whilst it may not seem like it, a lot of work goes into it. The site is public, and I'd be delighted if the information provided here proves helpful to you. You are free to use and share this content, provided that the purpose of such use is non-commercial (*studies, dissertations, blogs, etc.).*). In such cases, my only condition is that you must cite the source of the information, for example as follows: **source: bolyongo.hu**.

If you're kind enough to drop me an email or leave a comment in the Facebook group saying where you've used the material described here, and perhaps even say thank you, well, that would be the icing on the cake for this sort of thing...

If the purpose of the use is commercial (*a book for commercial sale, a research paper funded by a grant, a company website, etc.*), please contact me via one of the channels listed above to discuss the matter further.

Advertising space:

No one has approached me about this in the last ten years; I would be very surprised (and, of course, delighted) if this miracle were to happen. Naturally, I am looking for an advertiser whose proposals are in line with the site's profile. There is currently no dedicated advertising space on the site, but this could be modified in accordance with Dokuwiki's strict rules.
